511 S. Country Club Rd.
Chanute, KS

A tour of Chanute Manufacturing will follow at 1:00 p.m. at
1700 S. Washington
Chanute, KS

**We are pleased to have Dustin Stanley from Chanute Manufacturing as
our speaker**

Dustin Stanley is vice president of operations at Chanute Manufacturing. He is a graduate of Humboldt High School, Allen County Community College and Kansas State University, where he received his Bachelor of Science in Mechanical Engineering. He and his wife Angie (Fewins), a Chanute native, returned to Chanute in 1999 as Dustin began work with Chanute Manufacturing as project manager. Dustin and Angie have four sons, John, 16, Nathan, 15, David, 12, and Daniel, 10. In addition to owning and operating a family ranching business, Dustin enjoys hunting, golfing and trapping. He and his family attend Living Word Assembly church. Dustin is also the Chanute Chamber of Commerce president.

Please join us for a great meal and a very informative tour of Chanute Manufacturing after. We will also be discussing and looking for input on our plan to have an enhanced SEK Manufacturers Council to be managed and ran by the area manufacturers themselves.
